Please provide the following information or the request will be **denied**, further delaying the project review.
Include a color chip, sketch, photo, or catalog to illustrate the product(s) that you intend to use. If applicable, provide a sketch of your yard with the location of the proposed changes or improvements shown to scale on your property. If you desire design assistance, the Architectural Review Committee can provide referrals.

Our management company can also provide copies of Design Guidelines, Covenants, and Zoning Ordinances that may apply to your project.
